#### THE BOARDWALK

Myrtle Beach's most recent attraction opened in 2010 and has already received many accolades. Lined with shops and attractions, the 1.2-mile promenade revitalized the downtown area and features the SkyWheel, which rises 200 feet above the boardwalk. It's the first observation wheel in the U.S. and offers spectacular views of the town and the ocean from temperature-controlled gondolas. At night, the SkyWheel illuminates the beach with millions of LED lights.

#### DESTINATION GOLF

Dubbed the Seaside Golf Capital of the World, Myrtle Beach has over 120 of the most unique, challenging and picturesque golf courses on the planet, making it a premier destination for players. One-third of the area's golf courses are rated with four stars or higher in *Golf Digest's* Places to Play, and golfers can experience oceanfront vistas or stand among giant live oaks draped in Spanish moss on courses

Surfside, Litchfield y Garden City Beach son más tranquilas y más aptas para familias con niños pequeños; por su parte, Myrtle Beach (entre los muelles de las avenidas 14 y 2) está cerca del paseo marítimo y del corazón de la ciudad y a poca distancia de restaurantes, tiendas e instalaciones públicas.

#### EL PASEO MARÍTIMO

El Boardwalk es la atracción más reciente de Myrtle Beach (se inauguró en 2010) y ya goza de muchísima popularidad. Este paseo marítimo de casi dos kilómetros, flanqueado por tiendas y atracciones, ha revitalizado la zona del centro y en él se encuentra la SkyWheel, que se alza a 60 metros del paseo. Es la primera noria de observación en Estados Unidos y desde desde sus góndolas climatizadas se contemplan vistas espectaculares de la ciudad y del mar.
